Product Description

Factory Sale 21.5 Inch LCD Monitor White Wall Mounted Desktop Computer Medical LCD Monitor

DICOM Calibration for Radiological Imaging

The HD White 21.5-inch Medical Monitor is equipped with DICOM (Digital Imaging and Communications in Medicine) calibration. DICOM ensures the monitor's display characteristics conform to industry standards, enabling accurate interpretation of radiological images such as X-rays, CT scans, and MRIs.

Enhanced Workflow and User-Friendly Interface

Designed for healthcare professionals, the HD White 21.5-inch Medical Monitor offers an intuitive user interface and customizable workflow features.

Wide Range of Medical Applications

The HD White 21.5-inch Medical Monitor's versatility makes it suitable for a wide range of medical applications. It can be utilized in radiology departments, operating rooms, intensive care units, and other clinical settings. From diagnosing and monitoring diseases to guiding minimally invasive procedures, this monitor provides healthcare professionals with a reliable visual aid for delivering optimal patient care.

Compliance with Medical Standards

In the medical field, adherence to regulatory standards and certifications is crucial. The HD White 21.5-inch Medical Monitor meets essential medical certifications, such as FDA clearance and compliance with IEC 60601-1 safety standards.

Conclusion

The HD White 21.5-inch Medical Monitor represents a significant advancement in medical visualization technology. As medical imaging continues to evolve, the HD White 21.5-inch Medical Monitor stands as an indispensable tool in the pursuit of improved healthcare outcomes.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
