## Product Description

### Factory Customized HD 18.5 Inch Open Monitor IPS 1080P Industrial LCD Screen

#### The Widescreen 18.5 Inch Open Monitor IPS 1080P Industrial LCD Screen

In industrial environments, having a high-quality monitor is vital for efficient operations and accurate visual representation. The Widescreen 18.5-Inch Open Monitor IPS 1080P Industrial LCD Screen stands out as an impressive display solution that combines widescreen functionality, visual excellence, and industrial-grade durability.

#### Expansive Widescreen Display

The Widescreen 18.5-Inch Open Monitor IPS 1080P Industrial LCD Screen offers a spacious widescreen display, providing users with ample screen real estate for multi-window workflows and immersive visual experiences.

#### Industrial-Grade Durability

Designed to withstand the rigors of industrial environments, the Widescreen 18.5-Inch Open Monitor is built with durability and reliability in mind. The Widescreen 18.5-Inch Open Monitor offers versatile mounting options, facilitating seamless integration into various industrial setups. To ensure compatibility with a wide range of devices, the Widescreen 18.5-Inch Open Monitor typically offers multiple connectivity options.

#### Conclusion

The Widescreen 18.5-Inch Open Monitor IPS 1080P Industrial LCD Screen offers a compelling display solution for industrial environments. With its expansive widescreen display, IPS technology for superior visual quality, crisp 1080P resolution, industrial-grade durability, versatile mounting options, and compatibility with various devices, it excels in performance and functionality.

	electricity: 4A
	Machine power consumption: 28 W

## FAQ

**Q: How can I get the price?**

**A:** We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

**Q: What is the minimum order?**

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

**Q: Can I buy a prototype to test before buying in bulk?**

A: Yes, please feel free to contact us.

**Q: What payment methods do you accept?**

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

**Q: What are your shipping methods?**

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

**Q: I would like to ask you if it's possible to have my logo on the product.**

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

**Q: What is your delivery time?**

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
