Product Description

Customized Industrial Grade Open 12 Inch Monitor Computer PC All In One Display

Exploring the Open 12-Inch Monitor for PC Computers

The Open 12-Inch Monitor for PC computers offers a compact yet powerful display solution that combines convenience, versatility, and visual brilliance. In this article, we will delve into the features and benefits of the Open 12-Inch Monitor, highlighting its compact size, visual quality, connectivity options, and suitability for PC computers.

Compact Size, Big Potential

The Open 12-Inch Monitor boasts a compact size that lends itself well to portable computing setups. Its small form factor makes it an ideal choice for users who require a secondary monitor or need to work on the go.

Versatile Connectivity Options

The Open 12-Inch Monitor offers versatile connectivity options to ensure compatibility with a range of PC computers. It often features HDMI, VGA, and USB ports, allowing for easy connection to laptops, desktops, and other devices.

Space-Saving Design

The compact size of the Open 12-Inch Monitor is complemented by a space-saving design. With slim bezels and a lightweight construction, this monitor maximizes screen estate while minimizing the physical footprint.

Conclusion

The Open 12-Inch Monitor for PC computers offers a compact yet powerful display solution that combines convenience, visual brilliance, and portability. With its compact size, crisp visual quality, versatile connectivity options, space-saving design, and portable convenience, it caters to the needs of users who prioritize mobility and efficiency.

	electricity : 3A
	Machine power consumption : 25W

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?
A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?
A:Yes, please feel free to contact us.

Q:What payment methods do you accept?
A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?
A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.
A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?
A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
