Product Description

Widescreen 32 Inch Gaming Monitor 16:9 4k 75hz Computer Pc Monitor

4K Ultra HD Resolution

The 32 inch monitor features a 3840x2160 resolution, also known as 4K Ultra HD. This high pixel density ensures incredibly sharp and detailed visuals, allowing you to see every intricate detail in your games with exceptional clarity and realism.

75Hz Refresh Rate

The 32 inch gaming monitor offers a refresh rate of 75Hz, providing smooth and fluid motion on the screen. While not as high as some gaming monitors, it still offers a responsive gaming experience with reduced motion blur, ensuring a visually pleasing gameplay.

Wide Color Gamut and High Contrast Ratio

The 32 inch 75hz monitor supports a wide color gamut and high contrast ratio, enabling vibrant and lifelike visuals. You'll experience rich and accurate colors, deep blacks, and detailed shadows, enhancing the overall visual quality and immersion in your games.

Multiple Connectivity Options

The 75hz monitor offers various connectivity options such as DisplayPort, HDMI, and USB ports, allowing you to easily connect your gaming consoles, PCs, laptops, and other devices. This ensures seamless compatibility and convenient setup.

Customizable Gaming Settings

The 32 inch 75hz monitor provides customizable gaming settings through an intuitive on-screen display (OSD) menu. You can adjust parameters like brightness, contrast, color settings, and gaming-specific features to optimize your gaming experience according to your preferences.

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
