## Product Description

# FHD 28 Inch 4K Led Lcd Monitor 75hz Computer Monitor For Pc Gaming Monitor

### Ultra-High Definition Display

With a 4K resolution of 3840x2160 pixels, this 28-inch gaming monitor offers four times the resolution of Full HD, resulting in incredibly sharp and detailed visuals. Enjoy lifelike images, stunning colors, and precise details whether you're editing photos and videos, working with intricate designs, or watching high-resolution multimedia content.

### Crisp and Vibrant Colors

The 28-inch 75hz gaming monitor's high resolution and color accuracy ensure vivid and true-to-life colors, providing an enhanced visual experience. Whether you're engaging in creative work or enjoying multimedia entertainment, the monitor displays colors with exceptional precision and vibrancy.

### Smooth Visual Performance

The 75hz refresh rate ensures smooth and fluid visuals on the screen, reducing motion blur and providing a more enjoyable experience. Whether you're scrolling through documents, browsing the web, or watching videos, the monitor delivers responsive and seamless visuals.

### Multitasking Efficiency

The spacious 28-inch screen and high resolution allow you to efficiently multitask, accommodating multiple windows and applications simultaneously. Boost your productivity by having ample screen space to work on complex projects, compare documents side by side, or manage multiple tasks with ease.

### Energy Efficiency

The 28-inch gaming monitor is designed with energy efficiency in mind, consuming less power during operation. This not only reduces energy costs but also contributes to a more sustainable and eco-friendly workspace or entertainment area.

	Save humidity: -10 to 70°C
Power supply	110V-240V -DC12V
	electricity: 5A
	Machine power consumption: 25-45W

## FAQ

**Q: How can I get the price?**

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

**Q: What is the minimum order?**

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

**Q: Can I buy a prototype to test before buying in bulk?**

A: Yes, please feel free to contact us.

**Q: What payment methods do you accept?**

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

**Q: What are your shipping methods?**

A: We support sea, air, rail transportation, and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

**Q: I would like to ask you if it's possible to have my logo on the product.**

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

**Q: What is your delivery time?**

A: It depends on the quantity of your order and the season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
