Product Description

New Hot 17.3 Inch Portable Monitor 2560*1440P Computer Display HDR IPS Gaming Screen

High-Resolution Display

The portable monitor features a 17.3-inch screen with a high resolution of 2560x1440P, providing incredibly sharp and detailed visuals with enhanced clarity and pixel density.

Portable and Lightweight

Despite its high-resolution display, this 17.3-inch portable monitor is designed to be lightweight and compact, allowing for easy transportation in your laptop bag or backpack.

Plug-and-Play Connectivity

The 17.3-inch portable monitor supports various connectivity options, including HDMI, USB, and DisplayPort, ensuring compatibility with a wide range of devices such as laptops, smartphones, gaming consoles, and more. It offers seamless plug-and-play functionality, requiring minimal setup.

Adjustable Viewing Angle

The portable monitor's stand is adjustable, allowing you to find the optimal viewing angle for your comfort and convenience. You can tilt the screen to reduce glare and achieve the best position for your specific usage scenario.

Multiple Display Modes

Depending on the 17.3-inch portable monitor's capabilities, it may offer different display modes such as duplicate mode (mirroring the content from your primary screen), extend mode (expanding your desktop for enhanced productivity), or second screen mode (dedicating the portable monitor as a secondary display).

Durability and Protection

17.3-inch portable monitors often feature durable construction and protective features such as a screen cover or case to safeguard the display from scratches and damage during travel.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a

quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
