## Product Description

### 32 Inch Gaming Monitor 165hz Computer Screen Monitor 2k Gaming Pc Monitor

#### Display

The monitor has a 32-inch flat-panel screen with a resolution of 2560x1440 pixels. This resolution, also known as Quad HD (QHD) or 1440p, delivers sharp and detailed visuals, making it suitable for gaming and multimedia content.

#### Refresh Rate

The 32 inch gaming monitor offers a high refresh rate of 165Hz. With a higher refresh rate, the monitor can display up to 165 frames per second, resulting in smoother and more fluid motion during gaming. This helps reduce motion blur and provides a competitive edge for fast-paced games.

#### Halo Lighting

The 32 inch gaming monitor features a halo lighting system at the bottom. The halo lighting adds an aesthetic touch to your gaming setup, providing customizable RGB lighting effects. You can personalize the colors and lighting patterns to create an immersive atmosphere that complements your gaming experience.

#### Overdrive

The 165hz gaming monitor may feature an overdrive setting, which helps to reduce ghosting and motion blur by accelerating pixel response times. This feature enhances image clarity during fast-paced scenes, making it ideal for action-packed games.

#### Eye Care Technologies

The 32 inch 165hz gaming monitor could incorporate eye care technologies such as flicker-free backlighting and blue light filters. These features help reduce eye strain and fatigue during long gaming sessions, allowing for more comfortable and healthier gameplay.

## FAQ

### Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

### Q:What is the minimum order?

A:Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

### Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

### Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

### Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

### Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

### Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
