

All In One Embedded Frame Industrial Touch Monitor 21.5 Inch

Our Product Introduction

for more products please visit us on monitorspcs.com

Basic Information

- Place of Origin: Shen Zhen
- Brand Name: Skipsoul
- Certification: CE/ FCC/UL/ ROHS
- Model Number: TRC2105
- Minimum Order Quantity: negotiation
- Price: negotiation

Product Specification

- Resolution: 1920*1080
- Screen Proportion: 16:9
- Brightness: 300cd/m2
- Viewing Angle: H:178°V:178°
- Signal Interface: USB+VGA
- Touch: 10 Points Touch
- Attributes: Open Frame
- Highlight: **Embedded Frame Industrial Touch Monitor, 21.5in Industrial Touch Monitor, 1080IPS industrial lcd touch screen monitor**

Product Description

Touch All In One 21.5 Inch Industrial Embedded Frame Touch Monitor Computer PC

21.5 Inch Industrial Embedded Frame Touch Monitor Computer

The 21.5-inch industrial embedded frame touch monitor computer represents a compact yet powerful solution tailored for industrial environments. With its robust construction, advanced touch capabilities, and versatile applications, this device is specifically designed to meet the demands of critical industrial operations. Despite its compact size, the 21.5-inch industrial embedded frame touch monitor computer packs a punch with its ruggedness, immersive display, and seamless integration into industrial workflows.

Durability to Withstand Industrial Environments

Built to withstand the rigors of industrial environments, the 21.5-inch industrial embedded frame touch monitor computer boasts a durable construction that can withstand dust, moisture, vibrations, and temperature fluctuations.

Immersive Display for Enhanced Visualization

Despite its compact size, the 21.5-inch industrial embedded frame touch monitor computer offers an immersive visual experience. The high-resolution display delivers crisp images, detailed data, and vibrant colors, enabling users to analyze information with precision. Whether used for process monitoring, control panels, or data visualization, the immersive display of the 21.5-inch industrial embedded frame touch monitor computer enhances situational awareness, decision-making, and operational efficiency.

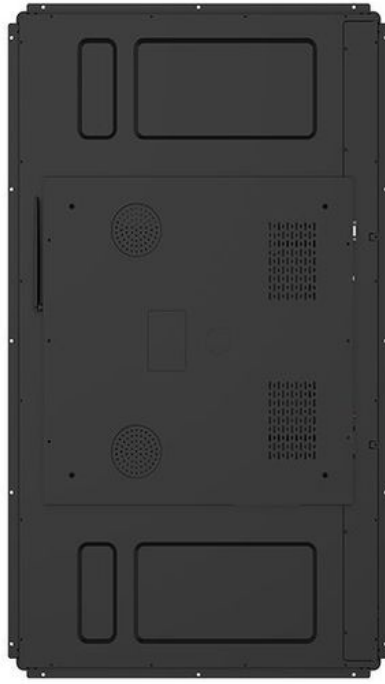

Intuitive Touch Functionality

Equipped with an embedded touch frame, the 21.5-inch industrial embedded frame touch monitor computer provides intuitive touch functionality that simplifies interactions and enhances user experience.

Versatile Applications in Industrial Environments

The 21.5-inch industrial embedded frame touch monitor computer finds applications across various industrial sectors.

| Touch All In One 21.5 Inch Industrial Embedded Frame Touch Monitor Computer PC | |

| Environmental conditions | Work temperature : -0 to 70°C |
| | Working humidity : -0 to 70°C |
| | Save temperature : -0 to 70°C |
| | Save humidity : -0 to 70°C |
| Power supply | DC |
| | electricity : 4A |
| | Machine power consumption : 35W |

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
