Office Computing 27 Inch All in One PC

The Bezel-Less 27-inch All-in-One PC combines cutting-edge features, sleek aesthetics, and versatile functionality to meet the evolving needs of modern offices. In this article, we will explore the features and benefits of the Bezel-Less 27-inch All-in-One, highlighting its immersive display, versatile functionality, convenience of a DVD drive, and its impact on office productivity.

Immersive Bezel-Less Display for Enhanced Visual Experience

The Bezel-Less 27-inch All-in-One computer monitor captivates users with its large, bezel-less display that extends the screen real estate to the edges. The absence of bezels maximizes the viewing area, creating an immersive visual experience.
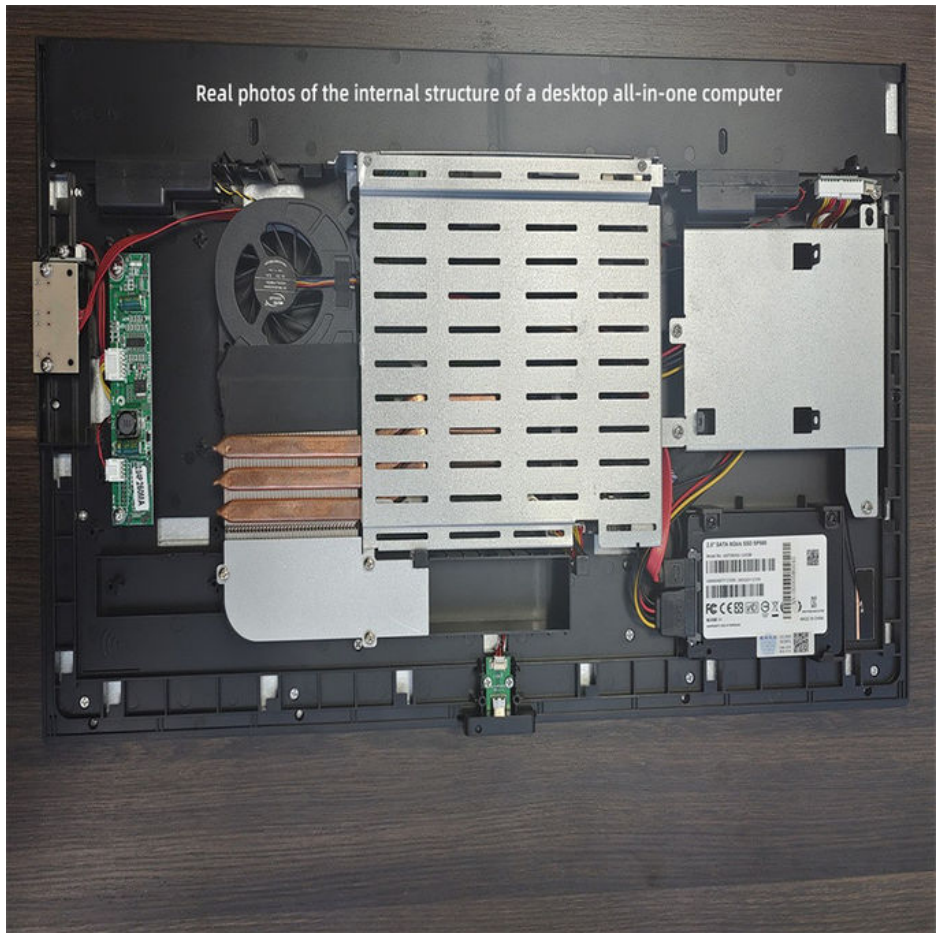

Convenience of a Built-In DVD Drive

In an era where digital media has become the norm, the inclusion of a built-in DVD drive in the Bezel-Less 27-inch All-in-One PC sets it apart from other computing solutions. The integrated DVD drive offers convenient access to physical media, allowing users to play DVDs, install software, or burn data onto discs.

Enhanced Office Productivity

The Bezel-Less 27-inch All-in-One PC is engineered to boost office productivity. Its powerful hardware, expansive display, and versatile functionality enable employees to work efficiently and effectively.

FAQ

Q:How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?
A:Yes, please feel free to contact us.

Q: What payment methods do you accept?
A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?
A:We support sea, air, rail transportation and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.
A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?
A:It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
