Product Description

Office Computer Windows Motherboard 23.8 Inch All-In-One Computer PC X86

23.8 Inch All-In-One Computer

With its 23.8-inch all-in-one computer, the X86 Computer Motherboard Home Office All-in-One Machine offers an expansive workspace that enhances productivity and allows for an immersive visual experience. The high-resolution screen delivers sharp and vibrant visuals, making it ideal for tasks that require detailed graphics, video editing, or content creation.

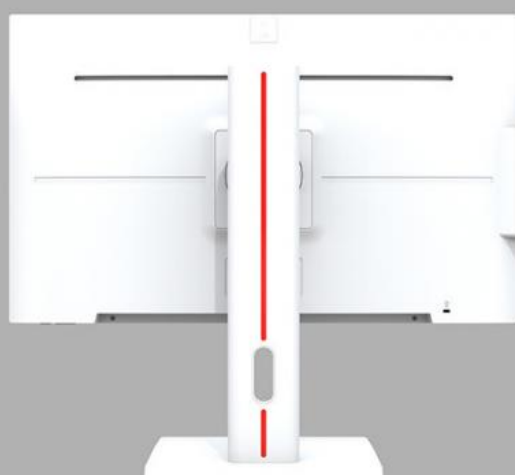

Integrated Features and Connectivity

The X86 Computer Motherboard Home Office 23.8-inch All-in-One Machine comes equipped with various integrated features that enhance convenience and connectivity. It includes built-in speakers, a webcam, and a microphone, making it ideal for video conferencing, virtual meetings, and online collaborations.

User-Friendly Interface and Ergonomics

The X86 Computer Motherboard Home Office All-in-One Machine prioritizes user-friendliness and ergonomic design. The intuitive user interface and user-friendly operating system make it easy for users of all skill levels to navigate and utilize its features effectively. Furthermore, adjustable stands and flexible mounting options enable users to find the optimal viewing angle, reducing strain on the neck and eyes during extended work sessions.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
