- Highlight: **3M Open Frame Monitors, Open Frame Monitors 15in, 4:3 gaming touch monitor**

Product Description

Factory Price 15 17 Inch Industrial Waterproof Capacitive Touch Monitor LED HD PC Monitor

15-Inch Touch Monitor LCD Screen

Gaming has evolved into a highly immersive and interactive experience, and having the right equipment can make a significant difference. A custom open-frame 15-inch touch monitor LCD screen brings a new level of interactivity and visual engagement to gaming setups. In this article, we will explore the features and advantages of a custom open frame 15-inch touch monitor LCD screen, highlighting its potential to enhance gameplay and take your gaming to the next level.

Immersive Gaming Visuals

The 15-inch touch monitor LCD screen offers high-quality visuals, bringing your games to life with vibrant colors and sharp details. The LCD technology ensures excellent image quality, allowing you to fully appreciate the graphics, textures, and visual effects of your favorite games.

Customizable Open Frame Design

The open frame design of the touch monitor LCD screen allows for easy customization and integration into your gaming setup. You can personalize the monitor's appearance by adding custom bezels, overlays, or frames to match your gaming aesthetic. Additionally, the open frame design facilitates straightforward installation into cabinets, control panels, or mounting systems, giving you the freedom to create a gaming setup that suits your preferences and requirements.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
