# X86 Floor Standing Digital Signage 49 Inch Touch Computer All In One

Our Product Introduction

Basic Information

- Place of Origin: Shen Zhen
- Brand Name: Skipsoul
- Certification: CE/ FCC/UL/ ROHS
- Model Number: T4302

Product Specification

- CPU: Intel® INTEL I5-6360U 2.0GHz
- Operating System: Windows 10
- Brightness: 500cd/m2
- Viewing Angle: H:178°V:178°
- Signal Interface: USB*4/RJ45/Audio/HDMI
- Touch Screen: YES
- Highlight: **X86 Floor Standing Digital Signage**,
  49in Floor Standing Digital Signage,
  Windows 10 free standing digital screen

Floor Standing Digital Signage X86 49 Inch Touch Computer All In One Machine

X86 Motherboard 49-Inch Touch Computer All-in-One Machine

The Floor Standing Digital Signage X86 Motherboard 49-Inch Touch Computer All-in-One Machine is a cutting-edge solution that combines the power of a floor-standing digital signage display with the versatility of a touch-enabled computer. With its large 49-inch touch screen, powerful X86 motherboard, and all-in-one design, this machine offers a striking and interactive platform for a wide range of applications. In this article, we will explore the features and advantages of the Floor Standing Digital Signage X86 Motherboard 49-Inch Touch Computer All-in-One Machine, highlighting its ability to engage audiences, deliver immersive experiences, and revolutionize communication strategies.

Large Touch Screen Display

The 49-inch touch screen display of the floor-standing digital signage machine creates a commanding presence and captures the attention of passersby. The large size ensures high visibility and allows for immersive content experiences.

Versatile Connectivity Options

The Floor Standing Digital Signage X86 Motherboard 49-Inch Touch Computer All-in-One Machine offers versatile connectivity options to interface with various devices and peripherals. With inputs such as HDMI, USB, Ethernet, and audio ports, users can connect external devices, media players, cameras, or other multimedia sources.

Conclusion

The Floor Standing Digital Signage X86 Motherboard 49-Inch Touch Computer All-in-One Machine brings innovation and interactivity to communication strategies. Elevate your communication strategies, captivate audiences, and deliver immersive experiences with the Floor Standing Digital Signage X86 Motherboard 49-Inch Touch Computer All-in-One Machine, empowering businesses with a dynamic and interactive platform for effective communication and engagement.

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?
A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?
A:Yes, please feel free to contact us.

Q:What payment methods do you accept?
A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?
A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.
A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?
A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
