Product Description

Factory Sale Android 15.6 Inch Frame Share Photos Videos Nft Wifi Digital Photo Picture Frames For Outdoor/Indoor

15.6 Inch IPS Touchscreen Display

The digital photo frame features a large 15.6-inch IPS (In-Plane Switching) touchscreen display, allowing for intuitive and interactive navigation. You can easily swipe, tap, and pinch-to-zoom to browse through your photos and access various functions.

High-Resolution Display

The digital photo frame typically comes with a high-resolution screen, providing detailed and sharp image quality. It may have a resolution of 1920x1080 pixels or higher, ensuring that your photos are displayed with excellent clarity and detail.

Multimedia Playback

In addition to displaying photos, the digital photo frame supports multimedia playback. You can play videos in popular formats, listen to music, and display text files or slideshows with accompanying music or audio.

Adjustable Settings

The digital photo frame allows you to adjust settings such as brightness, contrast, and color saturation directly on the touchscreen interface. This enables you to customize the display according to your preferences and the viewing environment.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and we also support customers using their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
