Product Description

18.5 Inch RK3399 Wall Mounted Android Touch Screen Advertising Player

18.5 Inch Wall-Mounted Android Touch Screen Advertising Play

The 18.5-inch RK3399 wall-mounted Android touch screen advertising player offers a powerful and versatile solution for businesses seeking to engage their target audience through immersive and interactive advertising experiences. With its large display size, robust RK3399 processor, and user-friendly Android operating system, this advertising player redefines digital signage by combining captivating visuals with intuitive touch functionality. In this article, we will delve into the features and benefits of the 18.5-inch RK3399 wall-mounted Android touch screen advertising player, exploring how it can transform advertising campaigns and captivate viewers.

Immersive Visuals on an 18.5-Inch Display

The 18.5-inch display of the RK3399 advertising player provides a visually immersive canvas for businesses to showcase their content. With a high-resolution screen, vibrant colors, and sharp image quality, the display ensures that advertising messages and visuals are presented in the most captivating and eye-catching manner.

Powerful RK3399 Processor for Enhanced Performance

The RK3399 processor at the core of the advertising player ensures smooth and seamless performance, even when running resource-intensive applications and multimedia content. The powerful processor enables the player to handle complex graphics, video playback, and interactive features with ease.

Conclusion

The 18.5-inch RK3399 wall-mounted Android touch screen advertising player offers a powerful and versatile solution for businesses aiming to create engaging and interactive advertising experiences. With its large display size, powerful RK3399 processor, intuitive touch functionality, and flexible Android operating system, the player empowers businesses to captivate viewers and deliver impactful advertising messages.

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
