16:9 electric picture frames**

Product Description

High Resolution 18.5 Inches IPS Screen Digital Photo Frame Loop Video 16:9 Electric Picture Frames 1366x768P Resolution

18.5-Inch Digital Photo Frame

The digital photo frame features a large 18.5-inch screen, providing ample space to display your photos. The display offers a resolution of 1366*768 pixels, ensuring clear and vibrant image quality.

High-Quality Image Display

With its 1366*768P resolution, the photo frame delivers sharp and detailed images. Your photos will be showcased with excellent clarity, vivid colors, and lifelike details, allowing you to relive your precious memories.

Multiple Viewing Options

The digital photo frame supports various viewing options, including slideshow mode, single photo view, and thumbnail grid view. You can choose the mode that suits your preferences and easily navigate through your photo collection.

User-Friendly Controls

The photo frame is designed with user-friendly controls, making navigating through menus and settings easy. You can effortlessly manage your photos and settings with intuitive buttons or a remote control.

Multiple Storage Options

The digital photo frame supports different storage options, including SD cards and USB drives. Simply insert your memory card or connect a USB drive to access and display your photos directly on the device.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
