

Open Frame Industrial Touch Screen Monitor Iron Shell Wall Mounted IP65 touch Monitor

Our Product Introduction

for more products please visit us on monitorspcs.com

Basic Information

- Place of Origin: Shen Zhen
- Certification: CE/ FCC/ROHS
- Model Number: TRC104
- Minimum Order Quantity: negotiation
- Price: negotiation
- Payment Terms: T/T

Product Specification

- Screen Proportion: 4:3/16:9
- Brightness: 300cd/m2
- Viewing Angle: H:178°V:178°
- Interface: USB+VGA+HDMI
- Touch Screen: Capacitive Multi Touch Screen
- Panel Type: IPS LCD Panel
- Feature: Industrial Metal Case
- Application: Industrial Application
- Highlight: IP65 Industrial Touch Screen Monitor

Product Description

Open Frame Industrial Touch Screen For Monitor Iron Shell Wall Mounted IP65 Touch Monitor

Rugged Construction

Industrial capacitive touch monitors are built to withstand harsh conditions such as dust, moisture, extreme temperatures, and vibrations commonly found in industrial settings.

High Brightness and Contrast

These touch screen for monitors typically feature high brightness levels and excellent contrast ratios, ensuring visibility in brightly lit environments or outdoor settings.

Wide Temperature Range

Industrial capacitive touch screen monitors can operate within a wide temperature range, making them suitable for use in both hot and cold environments.

Touch Sensitivity

The capacitive touch technology used in these monitors offers high touch sensitivity, allowing for accurate and responsive touch interactions even when wearing gloves.

Customizable Options

Some models offer customization options such as protective glass coatings, anti-glare treatments, and different mounting configurations to suit specific industrial needs.

IP Ratings

Industrial capacitive touch screen monitors often come with IP ratings for protection against dust and water ingress, ensuring reliability in challenging industrial conditions.

Integration Flexibility

These touch screen monitors can be easily integrated with existing industrial systems and machinery, providing a user-friendly interface for monitoring and control purposes.

Long-term Reliability

With durable components and robust design, industrial capacitive touch monitors are built for long-term reliability and continuous operation in industrial environments.

Brand	OEM/ODM
Product color	Black
Backlight source	LED
Screen proportion	16:9/4:3
Backlight	LED
Resolution	1920*1080/1024*768
Brightness	300cd/m2
Contrat	1000:1
Viewing angle	H:178°V:178°
Color temperature	16.7M
Brushing	60Hz
Scanning method	Progressive scan
Response Time	5ms
Other interfaces	HDMI+VGA+USB
Touch Screen Monitor Parameters	
Capacitance touch	Capacitive
	armoured glass :G+G
	ILITEK 2511
	Transmittance :≥90%
	USB : 5V
	>60 million times
	20 g current sensing
	USB
Environmental conditions	Work temperature : -10 to 80°C
	Working humidity : -10 to 80°C
	Save temperature : -10 to 80°C

Power supply	Save humidity : -10 to 80°C
	12V
	electricity : 4A
	Machine power consumption : 45W

Custom Options

Support interface types (customizable) :

Installation

Support desktop, cantilevered, wall mounted, embedded.

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business,but if you insist on buying one, or you only need one set,we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
