Product Description

27 Inch IPS Screen LCD LED Monitor 1920*1080 75hz Pc Computer Gaming Monitor

Adjustable Height

The 27-inch led monitor is equipped with a height-adjustable stand, allowing you to raise or lower the display to your preferred viewing height. This feature helps you find a comfortable and ergonomic position, reducing strain on your neck and shoulders during extended use.

Left and Right Rotation

This 27-inch LCD gaming monitor offers the ability to rotate the screen left or right. This feature is particularly useful when collaborating with others or working on content that requires vertical orientation, such as coding, reading lengthy documents, or viewing tall images.

Crisp Visuals

With a resolution of 1920x1080 pixels, the 27-inch computer gaming monitor delivers sharp and detailed visuals, bringing your content to life. Whether you're working on graphics-intensive tasks, watching movies, or playing games, you can enjoy vibrant colors and clear images on the spacious 27-inch IPS screen.

Smooth Refresh Rate

The 75Hz refresh rate ensures smooth and fluid visuals, reducing motion blur and providing an enhanced viewing experience, especially during fast-paced activities like gaming or watching action-packed videos.

Wide Viewing Angle

The led gaming monitor features an IPS (In-Plane Switching) panel, which offers a wide viewing angle. You can comfortably view the screen from different positions without experiencing color distortion or loss of image quality. This makes it ideal for collaborative work or sharing content with others.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
