## Product Description

### 18.5 Inch LCD LED 2560x1600P 144Hz Gaming Monitor IPS Panel Screen USB Display Portable Monitor For PS5

#### Introduction

Introducing our latest innovation, the 18.5-inch 2560\*1600P 144Hz Portable Monitor. Engineered to provide uncompromising performance and portability, this cutting-edge portable monitor combines immersive visuals, high resolution, ultra-smooth refresh rate, and compact design. Experience unparalleled display quality and versatility in a portable and convenient package with our feature-packed monitor.

#### Immersive Visuals

Featuring an expansive 18.5-inch display and an impressive 2560\*1600P resolution, this portable monitor delivers stunning visuals with exceptional clarity and detail. Whether you are editing photos, designing graphics, or watching high-definition content, every image will come to life with vibrant colors and lifelike precision. Immerse yourself in a truly immersive visual experience, thanks to the monitor's high pixel density and wide color gamut.

#### Ultra-smooth 144Hz Refresh Rate

With an ultra-fast 144Hz refresh rate, this portable monitor sets a new standard for smoothness and fluidity. Say goodbye to motion blur and laggy visuals! Whether you're gaming, watching videos, or scrolling through content, the 144Hz refresh rate ensures every movement is rendered with unparalleled clarity and precision. Experience a seamless and immersive visual journey that keeps up with your fast-paced lifestyle.

#### Portable and Compact Design

Designed with portability in mind, this monitor features a slim and lightweight design, making it easy to carry in your backpack or laptop bag. Whether you're a digital nomad, a content creator, or a gamer on the go, this monitor ensures that you have a high-performance and immersive display wherever you travel. Enjoy the freedom to work, play, or create whenever and wherever inspiration strikes.

#### FAQ

##### Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

##### Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

##### Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

**Q: What payment methods do you accept?**

A: Our company supports most payment methods, but usually accepts T/T, and PayPal.

**Q: What are your shipping methods?**

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

**Q: I would like to ask you if it's possible to have my logo on the product.**

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

**Q: What is your delivery time?**

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
