Product Description

Custom 18.5 Inch Portable Touch Monitor 130Hz 1080P FHD IPS Gaming Screen For Laptop Mac PC PS4/5 Switch

Introduction

Introducing our latest innovation, the 18.5-inch 1920*1080P 130Hz Portable Touch Monitor. Engineered to provide immersive interactivity and portability, this cutting-edge portable touch monitor combines high-definition visuals, ultra-smooth refresh rate, responsive touch functionality, and compact design. Experience unparalleled display quality and versatile touch control in a portable and convenient package with our feature-packed monitor.

Crystal-Clear High-Definition Visuals

With an 18.5-inch display and a Full HD 1920*1080P resolution, this portable touch monitor delivers crystal-clear visuals with vibrant colors and sharp details. Whether you're editing photos, designing graphics, or watching videos, every image will come to life with lifelike precision. Immerse yourself in a captivating visual experience, thanks to the monitor's impressive pixel density and wide color gamut.

Ultra-smooth 130Hz Refresh Rate

Featuring an ultra-fast 130Hz refresh rate, this portable touch monitor ensures smooth and fluid motion. Say goodbye to motion blur and enjoy the seamless visuals! Whether you're playing games, watching videos, or scrolling through content, the 130Hz refresh rate guarantees every movement is rendered with exceptional clarity and precision. Experience a whole new level of smoothness and responsiveness.

Responsive Touch Functionality

Equipped with advanced touch technology, this portable touch monitor offers precise and responsive touch control. The touch functionality allows you to interact with your content, navigate menus, draw, annotate, and more with ease. Whether you're a digital artist, designer, or presenter, the touch feature empowers you to unlock new levels of creativity and productivity.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in the wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, and PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
