Product Description

Hot Sale Factory Price 19 Inch Small Size Ultra Wide Stretched Bar Lcd Screen Display Digital Signage

Ultra-Wide Stretched Bar Design: The 19-inch LCD screen features an elongated aspect ratio, providing a unique and attention-grabbing display format that stands out in any setting.

Android Operating System: Powered by the Android OS, this display offers seamless integration with a variety of apps and content management systems, allowing for easy customization and control.

High-Quality Visuals: With a resolution of 1920 x 360, this display delivers stunning visuals with crisp details and vibrant colors, ensuring that your content is displayed with utmost clarity.

Touchscreen Capability: Optional touchscreen functionality allows for interactive experiences, enabling users to engage with your content and access information with ease.

Versatile Mounting Options: The display can be mounted horizontally or vertically, providing flexibility in installation and allowing for optimal placement in various environments.

Robust Connectivity: Equipped with multiple connectivity options, including USB ports and LAN RJ45, this display ensures seamless integration with various devices and content sources.

Wi-Fi Connectivity: With built-in Wi-Fi, this display enables wireless content updates and remote management, making it convenient and efficient to control and update your signage.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in the wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
