Product Description

28.6 Inch Ultra Wide Shelf Edge Advertising Digital Signage Monitor Type Stretched Bar LED Display Screen

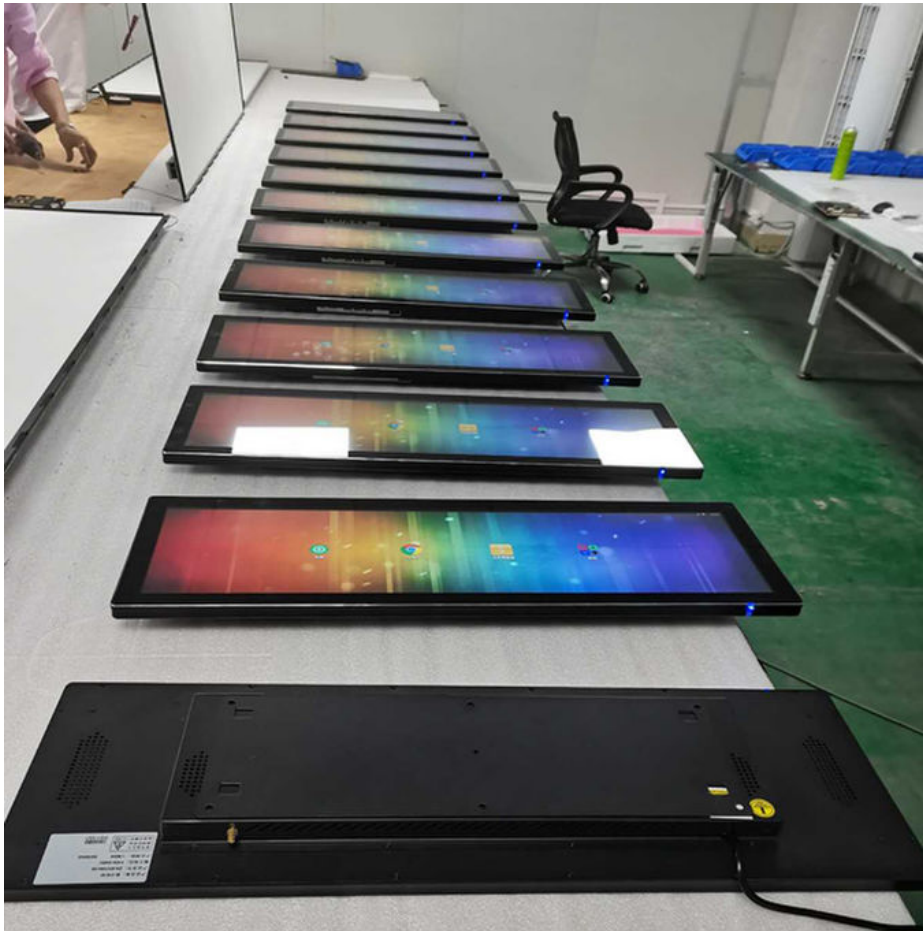

Introducing the 28.6-inch Stretched Bar LCD Screen Display, a cutting-edge display solution offered by Google Independent Sites. This sleek and versatile display is designed to make a powerful impact in various commercial applications.

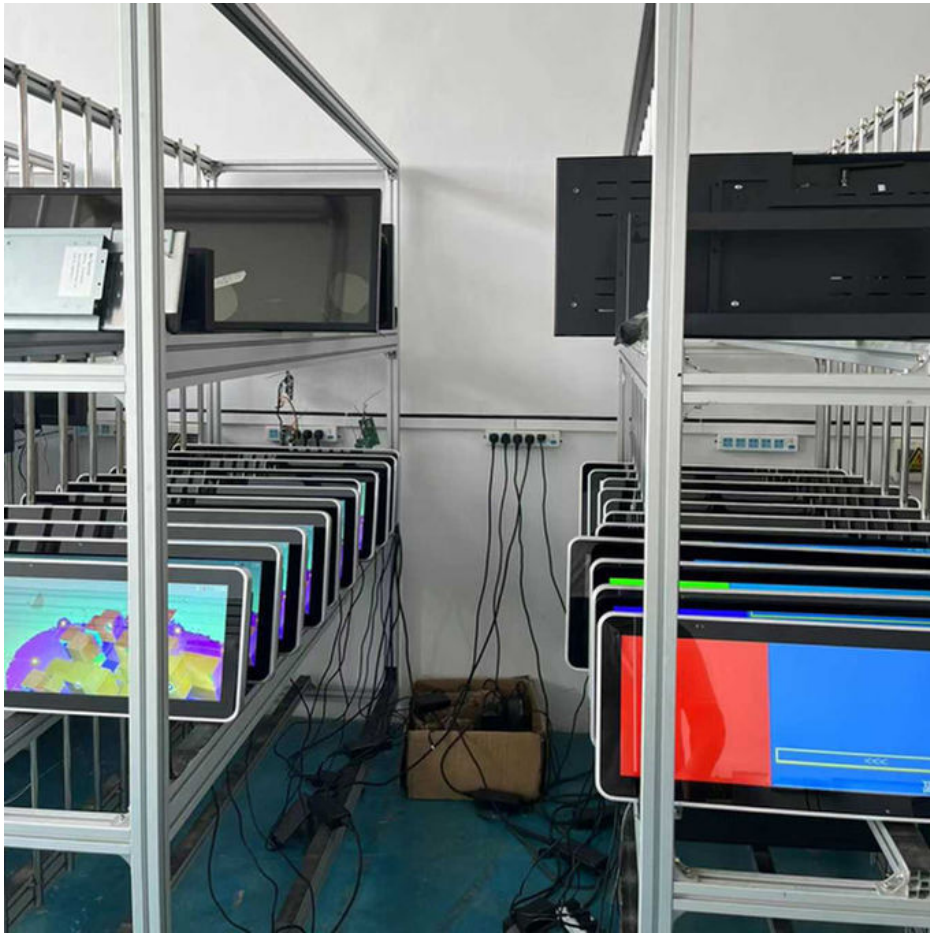

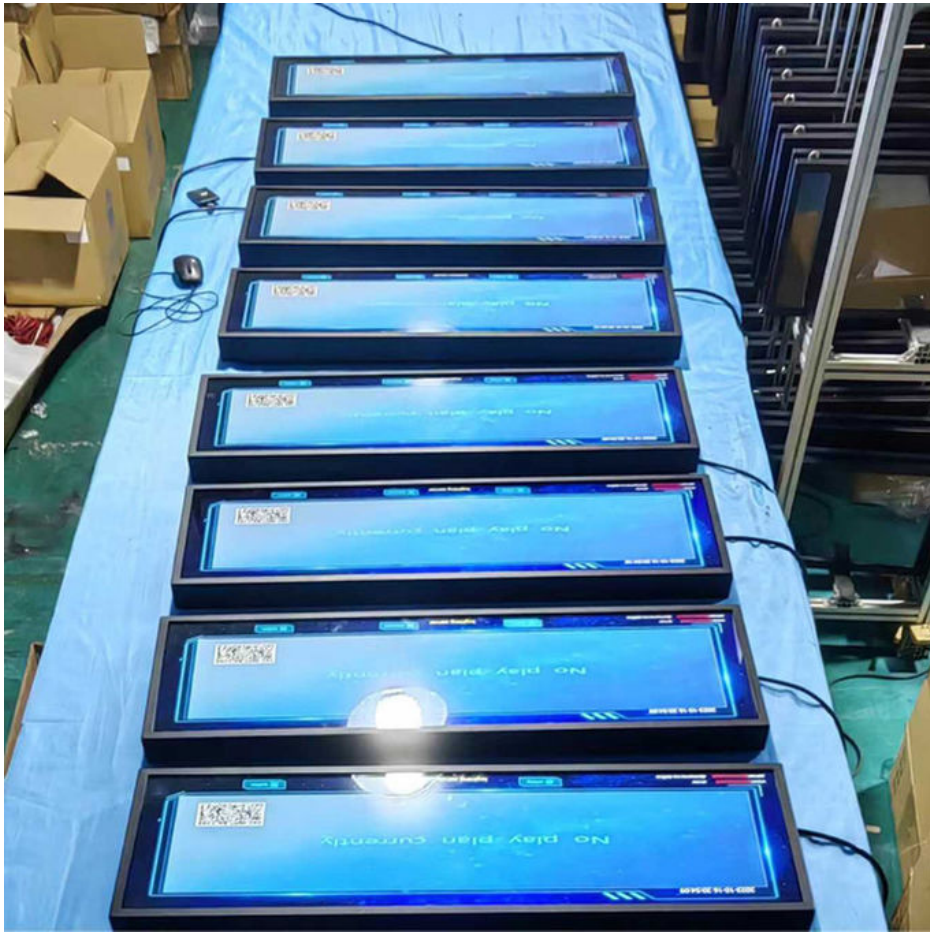

With its elongated design and high-resolution TFT LCD panel, the 28.6-inch Stretched Bar LCD Screen Display delivers captivating visual content in a unique stretched format. Whether it's digital signage, transportation information boards, or retail advertising, this display grabs attention and conveys messages with exceptional clarity.

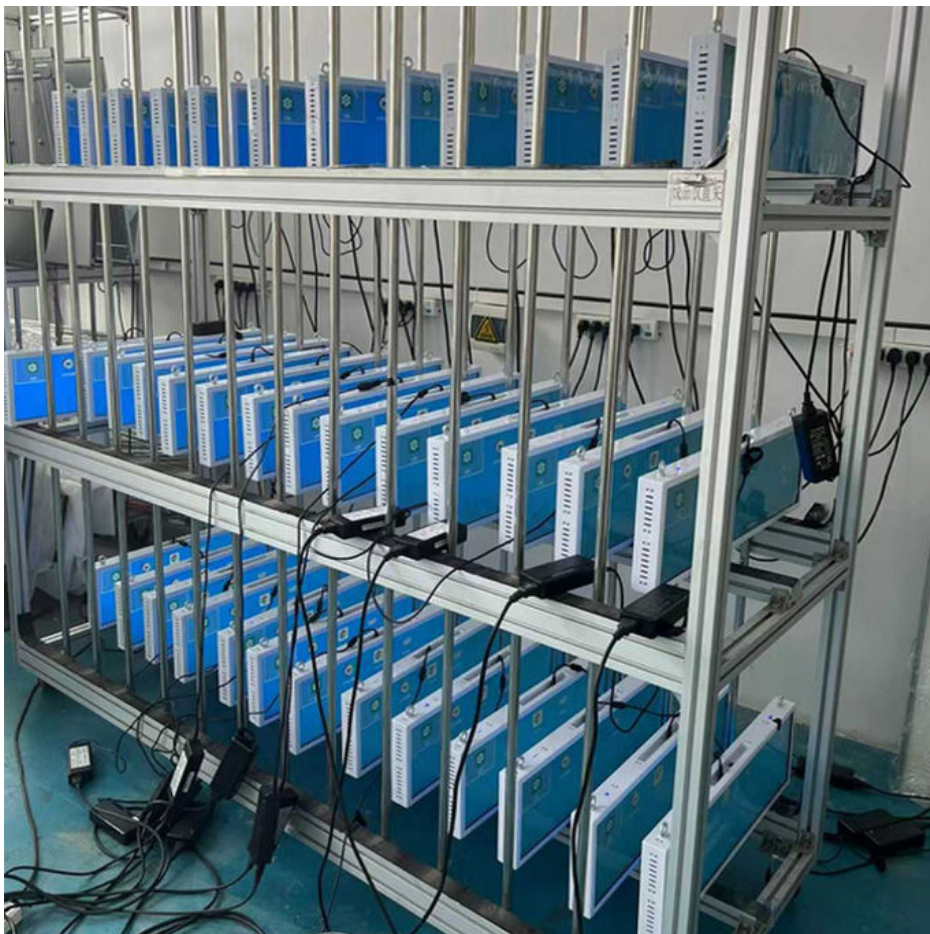

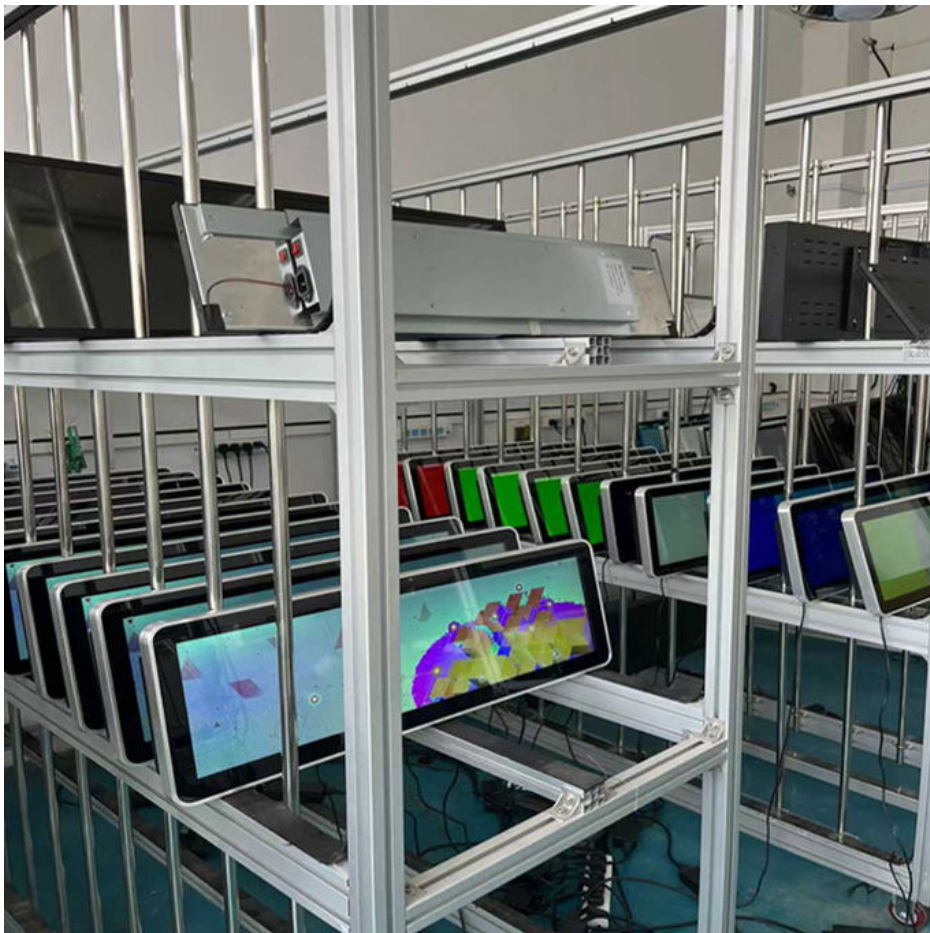

Featuring a wide viewing angle and LED backlighting, this display ensures optimal visibility from different perspectives and vibrant, lifelike colors. The crystal-clear images and sharp details make it a perfect choice for delivering dynamic and engaging content to captivate your audience.

The slim and sleek design of the 28.6-inch Stretched Bar LCD Screen Display allows for seamless integration in any environment. It can be easily mounted on walls, embedded in kiosks, or incorporated into custom installations, adding a modern and stylish touch to your space.

Built with durability and reliability in mind, this display is engineered for 24/7 operation. Its energy-efficient performance ensures long-term usage without compromising on quality or power consumption, making it ideal for businesses that require continuous operation.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in the wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
