Supplier Sale 27 Inch Curved Touch Screen Arcade Gaming Display LED Light Touch Screen Monitor For Business

The C-shaped 27-inch curved touch screen display, also known as the marquee display, is an eye-catching innovative product. This display uses an advanced LED backlight to ensure excellent effects and energy efficiency. The long life of the LED backlight reaches more than 50,000 hours, providing users with a long-lasting and stable display experience.

With a resolution of 1920×1080, the C-shaped 27-inch curved touchscreen monitor shows a clear and delicate picture, making the content vivid. Its brightness is as high as 300cd/ , the contrast ratio reaches 1200:1, and the response time is only 6ms, ensuring the picture's authenticity and smoothness.

This curved touch screen has excellent color performance, with a color number of up to 1.07B, presenting rich and gorgeous color details, making each frame vivid and lifelike. With a wide viewing angle of 178° horizontally and vertically, users can enjoy the same clear display effect at different angles.

In terms of design, the C-shaped 27-inch curved touch screen display is unique. Its curved design creates a more immersive visual experience, immersing users in it. Its 27-inch screen is suitable for both office work and entertainment, providing users with a diverse experience.

In general, the C-shaped 27-inch curved touch screen monitor is a powerful, high-quality, and uniquely designed display device suitable for a wide range of application scenarios. Whether in the office or entertainment, it can provide an excellent audio-visual experience.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, and rail transportation and express delivery, and we also allow customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization to design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on the quantity of your order and the season. Usually, small amounts are shipped within 5 to 15 days, and large quantities are delivered within about 30 days. The delivery time will not exceed the agreed-upon time between the buyer and us.
