## Product Description

### Product Description

A sleek and efficient all-in-one point-of-sale (POS) terminal designed for modern restaurants, cafes, and retail environments. Featuring a powerful Intel Core i5 processor, ample storage, and a responsive 15.6-inch capacitive touchscreen, this system streamlines order processing, inventory management, and payment handling with ease.

### Key Features

#### 15.6 Inch Capacitive Touchscreen:

- A. Full HD resolution for crisp, clear visuals
- B. Durable, multi-touch interface for faster order entry
- C. Easy to clean and resistant to spills – ideal for restaurant environments

#### High-Performance Intel i5 Processor

- A. Smooth multitasking and fast response times
- B. Handles POS software, inventory apps, and back-office tasks with ease

#### 8GB RAM + 256GB SSD

- A. Plenty of memory for running applications simultaneously
- B. Fast SSD storage ensures quick boot times and data access

#### Built-in 80mm Thermal Receipt Printer

- A. High-speed printing with low noise
- B. Compatible with standard thermal paper
- C. Easy paper roll replacement

#### Pre-installed Windows 10

- A. Familiar, user-friendly interface
- B. Supports a wide range of POS and restaurant management software

#### Network Ready

Built-in Wi-Fi and Ethernet support for cloud-based POS systems.

#### Customer Display

For clear transaction visibility and improved customer interaction.
