## Product Description

### 21.5" Full-featured Vertical POS Machine, Redefining Efficiency and Experience

This 21.5 inch all-in-one touch POS terminal is specifically designed for modern business scenarios, integrating a high-definition touch display, Android smart system, bank card/QR code payment, and thermal printing into one compact device. Suitable for a wide range of environments including retail stores, restaurants, hospitals, and banks, this self-service POS system significantly improves service efficiency and reduces labor costs.

#### Highlight Selling Points:

**Full HD Large Screen:** 21.5inch IPS touch screen with vivid colors and wide viewing angles.

**Integrated Design:** Integrated payment and printing functions, say goodbye to cluttered cables and save space.

**All-in-one Payment:** Supports various payment methods such as swiping cards and scanning QR codes, ensuring seamless transactions.

**Suitable for Multiple Scenarios:** Perfectly adapted for restaurants, retail stores, banks, hospitals, and other environments

### Product Advantages

#### Excellent Visual and Touch Experience

**21.5inch Full HD Large Screen:** 1920x1080 resolution, using IPS LCD panel, providing vibrant colors and 178-degree viewing angles ° Ultra-wide viewing angle allows clear viewing from all directions.

**10-point capacitive touch:** Responsive and smooth operation, even during peak periods, reducing customer waiting time
