Product Description

All-in-One 21.5 Inch Touch POS Terminal – The Ultimate Self-Service Solution for Modern Businesses

Product Name:

All-in-One 21.5 Inch Touch POS Terminal

Product Main Image:**Product Overview:**

This advanced 21.5-inch all-in-one touch POS terminal is engineered for today's fast-paced commercial environments. By seamlessly integrating a high-definition touchscreen, an Android smart system, bank card/QR code payment modules, and a thermal printer into a single compact unit, it delivers a complete self-service experience. Ideal for a wide range of settings—including retail stores, restaurants, hospitals, and bank lobbies—this terminal enhances operational efficiency, reduces waiting times, and lowers labor costs.

Why Choose Our POS Terminal?

Large Screen – Enhances user interaction and visual clarity
All-in-One Design – Simplifies installation and maintenance
Self-Service Ready – Reduces queues and staffing costs
Multi-Industry Use – Flexible for retail, food service, finance, and healthcare
Customization Available – Adapted to your unique workflow
