## Product Description

Touch Vision is a professional POS terminal and commercial display manufacturer based in Shenzhen, China. With years of OEM/ODM experience, we provide one-stop customized POS solutions for global brands, distributors and system integrators. Our 15.6-inch dual-screen POS terminal is our flagship model, widely used in retail, F&B, hospitality and other commercial sectors. Featuring a 10-point capacitive touch main screen and a secondary customer display, this POS terminal offers excellent performance and reliability at competitive prices.

### Why Choose Us

Factory Direct Pricing — Direct from our Shenzhen factory, no middlemen, competitive wholesale prices

Full OEM/ODM Capability — Hardware configuration, appearance, branding, packaging all customizable

Strict Quality Control — 100% full inspection before shipping, CE/FCC/ROHS certified

Fast Lead Time — Standard models ready to ship, custom orders delivered in 15-25 days

Professional Support — Dedicated account manager, technical support team, sample testing available

Global Export Experience — Exported to 50+ countries, familiar with international shipping and customs requirements
