Product Description

15.6 Inch Dual Screen Touch POS All In One Terminal | Built-in or External Printer | Optional QR Code Scanner | Windows & Android Customizable POS Cash Register for Retail, Restaurant, Convenience Store

Core Value Proposition

This 15.6-inch dual-screen all-in-one POS terminal supports both built-in printer and external printer configurations, as well as built-in QR code scanner or external QR code scanner options. It combines operator touch screen, customer-facing display, receipt printing, and barcode/QR payment scanning in one flexible POS solution. With customizable hardware, dual OS support, and CE/FCC/RoHS certification, it is ideal for retail stores, restaurants, coffee shops, supermarkets, and service counters.
