Product Description

Product Description

Upgrade your retail or catering operations with our premium 15.6 inch Dual Screen All in One Touch POS Terminal. Designed for high-volume commercial environments, this sleek, heavy-duty POS system combines powerful processing, interactive customer facing display, and high-speed receipt printing into a single space-saving footprint

Key Features

Dual 15.6" Full HD Displays: Interactive capacitive touch main screen for operators paired with a second HD screen for customer engagement, dynamic promotions, and instant order verification.

Integrated 80mm Thermal Printer: High-speed printing with an automatic cutter—no external printer cables or clutter required.

Versatile OS Compatibility: Fully supports Android 11/12/14 or Win 10/11 Pro, allowing smooth integration with your existing POS software.

Sleek & Durable Industrial Design: Built with a sturdy aluminum alloy base and stable structural design to withstand 24/7 continuous commercial use.

Rich I/O Connectivity: Packed with USB, RJ11 (Cash Drawer), RJ45 (Ethernet), RS232 (Serial), and Audio ports to connect scanners, scales, and payment terminals seamlessly.

	Certification	CE/FCC/ROHS
	Power input	AC110-240V
Notes	Support OEM/ ODM and provide customized services such as silk screen LOGO, startup LOGO, customized packaging, etc	

Core Product Advantages

1. Dual Screen Interactive Customer Experience:

Clarity & Efficiency: The main screen keeps cashier operations fast and accurate, while the secondary 15.6-inch display shows order details, totals, and QR code payment prompts in real time.

Dynamic Digital Signage: Upsell effortlessly by displaying high definition promotional banners, membership deals, or seasonal video ads directly on the customer screen during idle moments.

2. Space-Saving All in One Cable Free Layout:

Built-in 80mm Receipt Printer: Eliminates the need for standalone external receipt printers and tangled wire setups.

Easy Maintenance: Top-loading paper roll mechanism makes roll replacement fast and hassle-free, ensuring uninterrupted service during peak rush hours.

Application

1. Restaurants & Cafes
2. Fast Food Chains
3. Supermarkets & Grocery Stores
4. Retail Boutiques
5. Salons & Beauty Shops
6. Convenience Stores
