

Custom Design 15.6" Dual Touch Screen POS System Full Set with Receipt Printer for Cash Register

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: CE ROHS
- Model Number: P-A1-156S-BK
- Minimum Order Quantity: 10
- Price: \$260
- Delivery Time: 15 Day
- Payment Terms: Western Union, T/T, PayPal, credit card
- Supply Ability: 1000pcs per month

Product Specification

- Main Screen: 15.6 Inch (With Touch)
- Second Screen: 11.6/15.6 Inch (No Touch)
- Touch Screen Type: Multi Point Capacitive Touch
- Resolution: 1920*1080
- CPU: I3
- RAM: 8GB DDR3
- SSD: 128GB
- Interfaces: HD+RJ45+USB+RJ11
- Colour: Black
- Printer: Built In 80mm Thermal Printer
- Highlight: 15.6 inch dual touch POS system, custom POS system with receipt printer, touch screen cash register monitor

Product Description

Product Description

Streamline your commercial retail and hospitality operations with our Custom Design 15.6 inch Dual Touch Screen POS Terminal Full Set. Built for businesses seeking high performance, sleek modern aesthetics, and tailored brand identity, this complete cash register setup integrates powerful computing, high-speed receipt printing, and fully customized hardware features into one compact ecosystem.

Full-Set Commercial Integration: Everything you need in one terminal—main touch console, customer touch display, integrated high-speed receipt printer, and rich peripheral expandability.

Dual 15.6" Capacitive Touch Displays: Both operator and customer screens feature high-definition 10-point capacitive touch capability, enabling seamless dynamic interaction, self-checkout options, and instant order verification.

Comprehensive Customization (OEM/ODM): Tailor every aspect of the machine—from custom frame colors and logo laser engraving to specialized CPU, RAM/SSD configurations, and modular optional attachments.

Cross-Platform OS Versatility: Powered by scalable performance supporting Win 10/11 or Android 11 / 13 / 14 / 16.

Engineered for High-Frequency Use: Durable aluminum-alloy base with heat-dissipating structural design, resistant to dust, grease, and daily commercial wear.

Specification

Mainboard	CPU	Intel Celeron i3
	RAM	8GB DDR3
	Memory	128GB SSD
	Operating system	win10
Capacitance touch	Touch screen	10 point capacitive touch (PCAP Touch)

	Second screen	11.6/15.6 inch, No touch
	Resolution	1920*1080
	Contrast	1000:1
	Brightness	250 nits
	Visual angle	178/178
	Screen proportion	16:9
Internet	WiFi and Bluetooth	Yes
	Ethernet	10M/100M/1000M Network port
Interface	Interface type	HDMI, USB, RJ45, RJ11, DC
Other equipment	Printer	80mm thermal printer
Other	Adapter	Power Adapter 12V 7A
	Certification	CE/FCC/ROHS
	Power input	AC110-240V
Notes	Support OEM/ ODM and provide customized services such as silk screen LOGO, startup LOGO, customized packaging, etc	

Core Product Advantages

1. Dual-Touch Screen Interactive Ecosystem

Enhanced Operational Efficiency: Cashiers process orders rapidly while customers interactively confirm bills, select tips, input phone numbers for loyalty rewards, or complete digital signatures on the second screen.

Marketing & Promotions: Utilize the customer-facing screen to run high-definition video ads, promotional banners, or real-time payment QR codes.

2. Space-Saving All-in-One Full Set

Clean Desk Setup: Eliminates cable clutter by housing the receipt printer directly within the terminal body.

Plug-and-Play Ready: Effortlessly pairs with external peripherals like cash drawers, barcode guns, electronic scales, and card readers.

3. Open OS Architecture & Software Compatibility

Fully compatible with global POS software solutions such as Loyverse, Square, Toast, iREAP, Lightspeed, Odoo, and custom ERP systems.

Application

1. Restaurants & Cafes
2. Fast Food Chains
3. Supermarkets & Grocery Stores
4. Retail Boutiques
5. Salons & Beauty Shops
