Product Description

Product Description

Streamline your commercial retail and hospitality operations with our Custom Design 15.6 inch Touch Screen POS Terminal Full Set. Built for businesses seeking high performance, sleek modern aesthetics, and tailored brand identity, this complete cash register setup integrates powerful computing, high-speed receipt printing, and fully customized hardware features into one compact ecosystem.

Key Features

1. Highly Responsive 15.6" Capacitive Touch Screen

Precise Touch, Smooth Checkout: Equipped with an industrial-grade multi-touch capacitive screen, offering zero-delay responsiveness, anti-scratch durability, and long-lasting performance for high-frequency daily operations.

Crystal-Clear Display: Features a Full HD (1920×1080) high-brightness anti-glare display, ensuring crisp bill and item details even under bright indoor lighting.

2. Powerful Intel i3 / i5 Core Performance

Effortless Multitasking: Driven by high-performance Intel Core i3 / i5 processors to seamlessly run demanding software, preventing system lag and crashes during peak hours.

Flexible Hardware Configurations: Supports various RAM (4GB / 8GB / 16GB) and Solid-State Drive (64GB / 128GB / 256GB SSD) options for fast boot times and high-speed data access.

3. Industrial-Grade & Durable Design

Rugged & Reliable: Built with a sturdy industrial housing that resists dust, oil, and water splashes, making it fully capable of handling tough kitchen and high-traffic retail environments.

Quiet & Fanless Heat Dissipation: Optimized cooling channels ensure stable continuous operation with ultra-low noise levels throughout long business shifts.

4. Rich Interfaces & Wide Compatibility

Seamless Peripheral Connectivity: Comes with a wide range of I/O ports (USB 3.0/2.0, LAN, RS232 Serial, Audio, VGA/HDMI) to easily connect barcode scanners, receipt printers, cash drawers, card readers, and digital scales.

Broad System Support: Fully compatible with Win 10/11 and Linux OS, supporting top POS software across retail and food service industries.
