Product Description

Product Description

15 Inch Single Screen Touch POS System, High Performance All-in-One Cash Register Terminal, Commercial Hardware for Supermarket, Retail Store & Restaurant

Key Features

1. Ultra-Responsive 15" Capacitive Touch Screen

Fast & Accurate Touch: Features industrial 10-point capacitive touch technology with zero input lag, ensuring rapid order entry and cashier accuracy during peak traffic hours.

Durable & Clear Display: Crystal-clear resolution with anti-glare, anti-scratch, and waterproof/oil-proof front panel designed for harsh supermarket and kitchen environments.

2. High-Performance Hardware for 24/7 Operations

Smooth Multitasking: Built with powerful, energy-efficient commercial processors to run demanding retail software, inventory databases, and cashier systems without lag or system crashes.

High-Speed Storage: Equipped with quick-boot SSDs and scalable RAM configurations, allowing instant transaction recording and seamless daily operation.

3. Comprehensive I/O Ports for All Peripherals

Plug-and-Play Integration: Generous interface array (USB 3.0/2.0, RS232 Serial, RJ45 LAN, Audio, Cash Drawer Port) lets you build a full checkout ecosystem effortlessly.

Universal Peripheral Compatibility: Connect barcode scanners, receipt printers, digital weighing scales, customer displays, and card terminals without driver hassle.

4. Rugged Industrial Housing & Fanless Heat Dissipation

Built to Last: Engineered with high-durability housing that protects internal electronics against ambient dust, fluid spills, and everyday commercial wear.

Quiet & Dust-Proof Cooling: Passive/optimized cooling channels eliminate loud fan noise, reduce internal dust buildup, and extend product service life.
