

15.6 Inch Dual Screen Touch POS Terminal, High-Performance Intel i5 / Android Cash Register System, Commercial Desktop Cashier Machine for Retail & Restaurant

Our Product Introduction

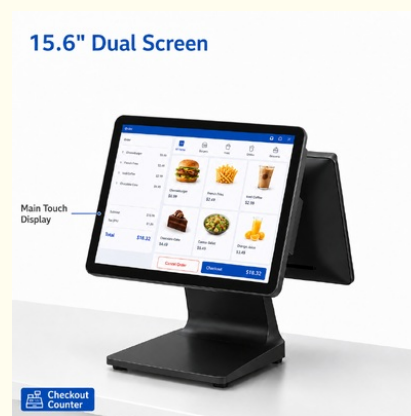

Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: CE
- Model Number: E-A1-156S
- Minimum Order Quantity: 50
- Price: \$210
- Delivery Time: 10~15 Day
- Payment Terms: Western Union, T/T, PayPal, credit card
- Supply Ability: 1000pcs per month

Product Specification

- Main Screen: 15.6 Inch (with Touch)
- Customer Display: 11.6/15.6 Inch (non Touch)
- Touch Type: PCAP Touch
- Resolution: 1366*768/1920*1080
- CPU: I5 3rd Gen
- RAM: 8GB DDR3
- SSD: 128GB
- Interfaces: HD+RJ45+USB+RJ11
- Colour: Black
- Highlight: **15.6 inch dual screen POS terminal, Intel i5 cash register system, commercial touch screen cashier machine**

Product Description

Product Description

15.6 Inch Dual Screen Touch POS Terminal, High-Performance Intel i5 / Android Cash Register System, Commercial Desktop Cashier Machine for Retail & Restaurant

Key Features

1. Interactive Dual 15.6" Full HD Display

Operator Efficiency: The main 15.6 inch high-precision capacitive touch screen gives your cashiers a smooth, zero-delay interface to ring up items and manage orders rapidly.

Customer-Facing Transparency: The secondary screen dynamically displays cart items, live order totals, QR payment codes, or targeted promotional banners — boosting customer trust and upselling opportunities.

2. High-Performance Hardware Engine (Intel i5 / Android)

Smooth Multitasking: Engineered with robust Intel Core i5 processors (or optional Android ARM chipset) to handle demanding enterprise POS software, live inventory databases, and multi-lane setups without lagging.

Rapid Response Storage: High-speed RAM and solid-state storage (SSD) guarantee quick system boot-ups, fast transaction processing, and dependable daily uptime.

3. Modular Desktop Architecture (Freedom of Peripherals)

Flexible Peripheral Pairing: Clean, modular countertop design without rigid internal printer constraints. Easily pair with your preferred 58mm/80mm thermal receipt printers, high-speed scanners, or heavy-duty cash drawers.

Rich Extension Interfaces: Features a comprehensive array of I/O ports (USB 3.0/2.0, RS232 Serial, RJ45 LAN, HDMI/VGA, Audio) to accommodate any current or future business setups.

4. Commercial-Grade Quality & Modern Aesthetic

Durable & Spill-Resistant: Industrial-grade front panel effectively protects internal electronics against dust, grease, and accidental drink spills in busy retail and restaurant environments.

Ergonomic Countertop Fit: Heavy-duty base stand with internal cable routing keeps your checkout counter tidy, stable, and professional.

Specification

Mainboard	CPU	Intel Celeron i5
	RAM	8GB DDR3
	Memory	128GB SSD
	Operating system	win10
Capacitance touch	Touch screen	10 point capacitive touch (PCAP Touch)
	Glass material	armoured glass TP/G+G
	Transmittance	≥90%
	Touch number	>50 million times
	Touch induction	20g current sensing
Display	Main Display	15.6 Inch LED Backlight Screen (1920 × 1080 Full HD)
	Secondary Display	15.6 Inch Customer Display (Non-Touch)
	Resolution	1920*1080
