Product Description

Heavy Duty Touchscreen POS Terminal Cash Register (15"/15.6"/17"/19") with Single/Dual Screen & VFD Display Options | Professional All in One POS System for Retail & Restaurant

Product Description

Why Choose Us?

Multiple Screen Sizes (15" to 19"): Choose the perfect fit for small counters or large superstores without layout constraints.

Responsive Capacitive/Resistive Touch: Smooth, intuitive operation reduces employee training time and speeds up peak-hour checkouts.

Dual Screen & VFD Options: Display promotions, real-time itemized bills, or order status directly to customers to boost satisfaction and upsell.

Silent & Energy-Saving Cooling: Fanless industrial design guarantees quiet operation and protects internal components from kitchen grease, airborne dust, and spills.

Flexible Configurations & Customization

Option 1: Single Touch Screen

Best For: Small retail shops, boutiques, pop-up stores with compact counter space.

Option 2: Main Screen + VFD Customer Display

Best For: Standard supermarkets and convenience stores to clearly show payment amounts and change.

Option 3: Dual Touch Screen (15.6" + 15.6" / 15" + 10.1")

Best For: Fast food, restaurants, and bakeries for interactive customer ordering, advertising graphics, or promotional videos.
