Basic Information

- Place of Origin: China
- Brand Name: custom your logo
- Certification: ce fcc rohs
- Model Number: PK-A1-215WM
- Minimum Order Quantity: 20
- Price: Based on requirement
- Packaging Details: carton + wood box
- Delivery Time: 15 days
- Payment Terms: T/T
- Supply Ability: 20000pcs per month

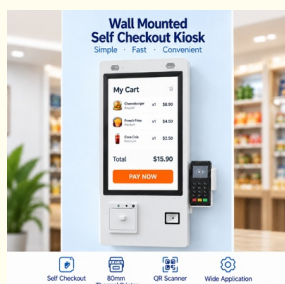

Product Specification

- Display Size: 21.5 Inch
- Material: Metal Case
- Panel Type: IPS
- Display Type: LED
- Material: Metal
- Weight: 50-80KG
- Signal Interface: HD-MI+RJ45+USB
- Products Status: New
- Number Of Screens: Single Screen
- Colour: White/Black/Yellow Custom Made
- Contrast: 1000:1
- Touch: Capacitive Touch
- Model: Self-Service Terminal Kiosk
- Highlight: 21.5 inch commercial POS touch screen, POS payment terminal with card swiping, touch screen POS kiosk with stand

Product Description

Smart Self-Service Inquiry Terminal

Commercial 21.5 Inch Smart Touch POS Payment Station with Card Reader Holder | Fast Checkout Self-Ordering Kiosk for Supermarkets & Fast Food Chains

Key Product Features

1.Intuitive 10 Point Capacitive Touch Screen

Instant response time with scratch-resistant, tempered glass for daily high-frequency use.

2.Integrated POS & Scanner Mounting Options

Compatible with major payment terminals (Pax, Ingenico, Verifone, etc.) and built-in/external 1D/2D barcode scanners for fast QR & card payments.

3.Optional Built-in Thermal Receipt Printer

High-speed auto-cutter printer (80mm) with easy paper-loading design to keep transactions moving fast.

4.Flexible System Architecture

Supports Windows (Intel i3/i5) or Android OS to seamlessly integrate with your existing POS software or ERP systems.

Core Features

21.5" Full HD Touch Screen: High-definition 1080P screen with smooth 10 point capacitive touch.

Universal Card Reader Bracket: Ergonomic stand designed to fit various POS pin pads and card readers securely.

Boost Sales & Reduce Queueing: Fast self-ordering system cuts labor costs and shortens wait times during peak hours.

Industrial-Grade Reliability: Built with durable metal/ABS enclosure, designed for continuous 24/7 commercial operation.

Why Choose Us?

Large 21.5" HD Display: Eye-catching size ideal for displaying digital menus, promotional videos, and combo upsells, driving higher average order value.

Integrated Card Swiping Stand: Perfectly positioned payment bracket ensures comfortable card swiping, contactless tapping, or PIN entry for customers.

Multi-Mount Flexibility: Available as a Floor Stand or Desktop Countertop Mount to suit any store footprint or layout.

Cable Management Design: Built-in cable routing keeps counter space neat, preventing wire clutter and unauthorized tampering.

Customization Services

We provide comprehensive small-batch customization to align with your brand and business needs:

Appearance Customization: Custom color, logo, shell material and shape to match your brand identity.

Function Modularization: Add or adjust modules including card reader, printer, QR scanner, and payment terminal.

Low MOQ Flexibility: Accept small minimum orders to help startups and small businesses launch quickly.

Strict Testing: 100% full aging and touch performance testing prior to shipment.

Warranty: 1 to 3 years commercial warranty with online technical support.

Application Scenarios

Fast Food & Restaurants: Self-ordering, menu customization, dynamic promotions, and instant pay.

Supermarkets & Retail Stores: Self-checkout stations, price checkers, and loyalty reward sign-ups.

Cinemas & Entertainment: Ticket purchasing, seat selection, and concession ordering.

Hotels & Gyms: Self check-in/out terminals, service booking, and membership payment.
