Basic Information

- Place of Origin: China
- Brand Name: custom your logo
- Certification: ce fcc rohs
- Model Number: PK-A1-215FS
- Minimum Order Quantity: 5
- Price: Based on requirement
- Packaging Details: carton + wood box
- Delivery Time: 10 to 15 days
- Payment Terms: T/T
- Supply Ability: 20000pcs per month

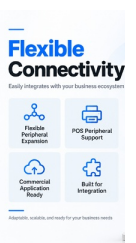

Product Specification

- Display Size: 21.5 Inch
- Processor Options: RK3568/RK3576/RK3588, i5/i7
- RAM: 2/4/8GB
- Storage: 32/64/128/256GB
- Signal Interface: HD+RJ45+USB
- Products Status: New
- Resolution: 1080*1920
- Colour: White, Black Or Custom
- Touch: Capacitive Touch
- Material: Metal Case
- Panel Type: IPS
- Installation Method: Floor Stand
- Highlight: 21.5 inch self-service kiosk PC, all in one POS terminal with thermal printer, touch screen POS monitor with barcode scanner

Our Product

Product Description

Smart Self-Service Inquiry Terminal

Factory Direct 21.5 Inch Capacitive Touch Payment Kiosk with 80mm Receipt Printer & 1D/2D Scanner | Win 10/11 / Android Interactive Ordering Machine

Key Product Features

1.High-Speed Thermal Receipt Printer

Built in 80mm auto-cutter thermal printer with easy paper jam release and quick roll replacement mechanism.

2.Industrial-Grade 1D/2D Barcode Reader

Rapid omnidirectional scanning for printed or mobile phone QR codes, digital coupons, and barcodes.

3.Flexible Installation & Mounting Options

Supports Floor Standing Base, Desktop Countertop Mount, or Wall Mount configurations to match any layout.

4.Rugged & Durable Enclosure

Metal alloy housing with scratch-resistant tempered glass panel designed for high-traffic commercial environments.

Core Features

Powerful Performance: Powered by Intel Core i5 / High-Speed RK Android platform for smooth multitasking.

Built-in Peripheral Modules: High-speed 80mm thermal auto-cutter printer and wide-angle 1D/2D barcode reader.

Free SDK & Secondary Development Support: Fully open API/SDK documentation for quick integration with your POS or ERP software.

High Cost-Efficiency: Commercial-grade durability at a competitive direct-factory price point.

Why Choose Us?

Integrated Printer & Scanner: Eliminates external wire clutter; plug-and-play setup cuts deployment costs and counter footprint.

Capacitive Touch: Crisp 1080P display with smooth 10 point multi-touch creates an engaging self-ordering experience.

Comprehensive SDK Provided: Empowers software developers (ISVs) to integrate customized POS software, loyalty apps, or payment gateways in hours.

Dual OS Platform Options: Flexible hardware architecture supporting Win 10/11 (Intel Core i5/i7) or Android (RK3568/RK3576/RK3588).

Customization Services

We provide comprehensive small-batch customization to align with your brand and business needs:

Appearance Customization: Custom color, logo, shell material and shape to match your brand identity.

Function Modularization: Add or adjust modules including card reader, printer, QR scanner, and payment terminal.

Strict Testing: 100% full aging and touch performance testing prior to shipment.

Warranty: 1 to 3 years commercial warranty with online technical support.

Application Scenarios

Restaurants & Fast Food Chains: Interactive self-ordering, ticket printing, and QR payment processing.

Retail Stores & Supermarkets: Price checking, self-checkout, gift registry, and membership check-in.

Healthcare & Hospitals: Self-service registration, appointment booking, and prescription ticket printing.

Ticketing & Entertainment: Cinema ticket printing, event check-in, and amusement park entry.
